Manufacturer's & Exporter's of Home Textiles

Greetings from ASN BIO EXIM.....

ASN BIO EXIM is a manufacturer and exporter of Home Textiles from India. We are backed by over 5 years of experience in the production, State of the art infrastructure in Hand-woven, Auto loom fabric weaving and allied made ups / finishes.

A desire to introduce creative thought and beauty into the everyday things of life.

Seductive, Sensual and Timeless, Our Merchandise combines the pure simplicity of natural materials with the understated sophistication of contemporary design. From crisp, our linen products are carefully selected for their ability to bring a sense of calm and equilibrium to your home.

With an emphasis on soft, amorphous shapes, subtle colour palettes, and fascinating textures, our products reflect the passion and time-honoured skills of the artisans who make them.

Fair-trade is important to us and we make every effort to ensure that the workers involved in the production of our merchandise are treated fairly and respectfully. We also go out of our way to use products derived from environmentally renewable resources.

Our Home products are available to trade businesses worldwide.

The best points and resources of our company are given by innovation, attention to detail, excellent service and a good price-quality ratio.

Over the years Our Company has been able to understand the market requirements and to offer solutions and the right products to the high-specialized Home Textile Customers.

To develop its wide range of products our Management created two separate channels to satisfy both Qualified Retail Clientele and Department Stores, which specialized Staff is taking care of.

Flexibility and utmost care to any detail are the secret of our success either with Retail or Industrial Supply Orders.

Special collections, innovative fashion and classic proposals are studied by in-house Designers and mainly developed by Worldwide designers.
